Patient Treatment and Financial Agreement

Eye MDs of Puget Sound

Consent to Treat:
I request and authorize Eye MDs of Puget Sound to examine and treat me (or my minor child). I agree to ask for information about any exam or procedure and when I am satisfied that I fully understand the benefits and risks for the proposed exam/procedure, I further authorize and request that such exam/procedure be performed.

Services:
We are medical physicians specializing in ophthalmology. If we treat medical or surgical conditions pertaining to your eyes, we bill your **MEDICAL** insurance for that treatment unless otherwise specifically stated.

Refractions are necessary to determine your glasses prescription and the charge is rarely covered by insurance companies. The refraction fee is currently $49.00.

Initials_____

Financial:
Our office will bill contracted primary and secondary **MEDICAL** insurance companies. It is your responsibility to know if your insurance plans cover your visit with us. We do not contract with **VISION** insurances. Co-payments required by your insurance are to be paid at the time of service. There will be a finance charge assessed to all patient balances not paid within 30 days. The responsibility for payment of your account always remains with you even though you may have a legal matter pending.

Initials_____

Referral:
It is your responsibility to obtain a referral for your visit if your insurance company requires one prior to visiting with our doctor. Without the appropriate referral it may be necessary to reschedule your appointment.

Initials_____

Minimal Sedation fee:
For the doctors to provide the safest and highest level of care during surgery I understand that **if I undergo cataract surgery** at Narrows Surgery Center, I agree to pay the $200 per eye Minimal Sedation fee. I understand this fee can not be billed to my insurance.

Initials_____

Authorization and Release of Medical Information:
I authorize Eye MDs of Puget Sound to provide information regarding my diagnosis and treatment to my insurance company if they request such information to pay my bill. I also direct my insurance company to pay all insurance benefits directly to Eye MDs of Puget Sound.
